

CASH FOR CAMP!

Did you know the South Portland Music Boosters will help send your student to summer music camp?

If you help us fundraise for the SP Music Program, you can earn half of the cost of summer music camp up to \$200!

Here's how it works:

- Join our parent volunteer email list by contacting John Perry at jp5.fenway@gmail.com
- Volunteer at the South Portland Bingo hall three Saturday nights between May 2015 and April 2016. Any family member or friend over age 18 can volunteer. It is a fun and easy evening. You will volunteer with three other SP music parents. We will train you and feed you! John Perry sends out volunteer requests so you will know when we need volunteers.
- Register your child for the summer music camp of your choice.
- Return the Cash for Camp form to your student's music teacher by April 30, 2016. The form will be emailed to you at the beginning of April and is also on the SP Music Booster's website: www.southportlandmusicboosters.org.
- The camp payment will be mailed directly to the camp your child has chosen. (*Bonus! If your family volunteers for 6 Saturday nights, you will receive an additional \$100 towards camp.)

Here are some of the camps South Portland students have attended in the past:

MSYM: Maine Summer Youth Music Camp (University of Maine) - www.umaine.edu/spa/msym

USM Summer Youth Music and Theatre Camps - www.usm.maine.edu/music/summercamps

Stages Theater Academy Summer Day Camp Programs - www.stagesacademy.com/vacationcamps.htm

New England Music Camp - www.nemusiccamp.com

Saturday night bingo at the John Roberts Road's SP Bingo Hall is the Music Boosters longest and most successful fundraiser. The SP Bingo Hall has been supporting music in South Portland for over 30 years! Even if your child is not interested in a music camp, please consider volunteering at Bingo to help the SP Music Program. All the money raised directly benefits SP Music students!
